

Organization for the Working Samoyed Awards Program

Herding Venue Information

Venue Specific Rules:

- Maximum number of competitions is SIX (6) for the Annual and Most Improved awards, unlimited for the Achievement award.
- Point Schedules are different for Annual Top Herding dog and the Achievement Award, please use the correct schedule and tally sheets when calculating points.

Point Schedules:

Annual Top Herding Dog

1. Normalize Score (so that organizations with different maximum scoring can compete on equal footing):
 - a. Score earned
 - b. Divide by the maximum score possible
 - c. Multiply by 100
2. Take the result from step one and multiply by **1.0** for Started (1st level), OR **1.05** for Intermediate (2nd level) OR **1.1** for Advanced (3rd level). The total is now the total points earned for that class.

Achievement Award

Competition level	AHBA	French Trials	ASCA	AKC
